Our great donor VALLEY HILL/2J 50-10 has done it again! She is 3 for 3 with Heat Seeker and each of her calves seems to be better than the last. Her most recent accomplishment is a tremendous son that is another full brother to the heifer shown here and he is making this summer very exciting at Valley Hill. Special thanks to Lawrence Cattle Company and Reints Show Cattle for their private treaty purchase. Be watching for him this winter and ask us about frozen embryo and confirmed pregnancy opportunities from 50-10.
